Sub: Proposal for sanction of funds under the scheme "Strengthening and Development of Agricultural Marketing Infrastructure" for the year 2017-18, utilization of fund for up-gradation of e-NAM Mandis of the State.

Ref: Letter No.413, dated-02.06.2017 of Director Agricultural Marketing, Odisha.

Madam,

In inviting a kind reference to the letter on the subject, I am to submit that, proposal was submitted for sanction of Rs.300.03 Lakhs under the scheme "Strengthening and Development of Agricultural Marketing Infrastructure" for the year 2017-18 in favour of 06 nos. of RMCs as per the list submitted in the letter under reference.

In the meantime, 47 nos. of markets in the state are being proposed for coverage under e-National Agriculture Market (e-NAM) platform of Govt. of India for online trading of agricultural produce to provide remunerative price to the farmers. List of Mandis with commodities to be traded in the proposed e-NAM Mandis is enclosed. Detailed DPR for the concerned Mandis is being prepared for obtaining support from the Govt. of India for infrastructure and other support admissible under the scheme. However, on receipt of login and passwords, pending approval of DPRs for financial support from Gol, in order to immediately start e-NAM operations, those Mandis needs to be upgraded by creating / providing additional need based infrastructure like computer/hardware, repair and renovation of required and setting up of assaying facilities to run the e-NAM operation in the interest of farmer producers of the State.

At this juncture, it is proposed that, the earmarked fund of Rs.300.03 lakhs may be sanctioned and distributed equally among these 47 nos. of RMCs implementing the Gol programme for up-gradation of facilities for e-NAM Mandis.

I would therefore request you to kindly approve coverage of 47 additional Mandis under e-NAM and reconsider the proposal submitted earlier for sanction amongst 47 nos. of RMCs / Markets as per the list enclosed.

Yours faithfully,

23/02/18
